0005	\$5,000.00	\$500,000.00

**3. SECTION E - INSPECTION AND ACCEPTANCE**

The following schedule note has been modified:

2. Section B, Supplies or Services and Prices, for this solicitation will consist of five base contract line items, one for each of the anticipated performance periods, with eleven sub-contract line items for the various labor categories. Offerors are to enter an hourly rate for all of the labor categories under each of the five performance periods. The five base contract line items for the performance periods are informational and do not require an entry or price.

**4. SECTION L - INSTRUCTIONS, CONDITIONS AND NOTICES TO BIDDERS**

The following section under “Submission of Proposals” has been modified:

Part 5 - Expertise/Experience. This part consists of resumes for the categories of Project Manager, Social Analysis/Public Involvement Specialist, Economist, GIS Specialist, Fishery Biologist/Water Quality Specialist, Vegetation/Wetland Biologist, and Wildlife Biologist. Resumes shall address, at a minimum, education and experience criteria listed below for these disciplines. Proposals should demonstrate how the identified candidates meet the desired qualifications of each of these positions. If an individual does not have a degree in the specific discipline listed, resumes should indicate how the individual meets the category by additional class work or extensive work experience. Offerors are encouraged to submit information on specialized training and experience in addition to the degree in the primary field of study that would be relevant to an individual's ability to perform in a particular labor category. Proposals must identify, by name, the employee submitted for each discipline identified along with the resume for that individual. Only one resume per category will be considered.

(1) Project Manager:

**Education** – The Offeror's proposed candidate will be evaluated on the level and relevance of his/her education. The level will be based on the degree or certification obtained. The relevancy will be based on whether the degree is in ecological or sociological studies. Relevant training or continuing education that is non-degree related will also be considered to the extent that it demonstrates the applicant is competent and educated in the field.

**Experience** – The Offeror's proposed candidate will be evaluated on the amount and variety of experience in the categories listed below.

- (1) Management of Large/Complex Studies.
- (2) Federal Government Contracting Experience.
- (3) Preparation of Complex NEPA and CWA Documentation.
- (4) Social Impact and Public Involvement.
- (5) Habitat Evaluation Procedures - (ISF; HEP; Wetland Delineation).
- (6) Regional Experience.
- (7) GIS Experience.

**Past Performance** – Offerors will also submit information on past performance of the Project Manager. This information will consist of a list of all projects managed or supervised by the proposed Project Manager over the past three years. Each project listed shall provide the name, address, and telephone number of a customer point of contact who is familiar with the project work. Offerors may also submit information on past performance problems and actions taken by the Project Manager to correct those problems.
